## Exciting opportunities in a perfect setting

The European Small and Mid Cap Conference (ESMiC) offers investors, analysts and journalists the opportunity to get to know a broad spectrum of European and international companies in a stylish and relaxed atmosphere.

C-Level management will present the equity story of "their" company in individual (1on1) and small group discussions (roundtables).

## Fees

Attendance of ESMiC for visitors is free of charge.

However, space is limited. So please register by sending us an e-mail or just give us a call to claim your free ticket. Please also indicate which companies you would like to talk to individually (1on1) or meet for a roundtable discussion.

## Hotel

For our visitors, we have a special company rate for guest rooms. Please indicate on your registration if you are interested in a stay at the location. We will contact you with an interesting offer. This service is subject to availability.

## Featured companies

### Deep-South Resources Inc.

Deep-South Resource is a mineral exploration company, actively involved in the acquisition, exploration and development of major mineral properties in Africa. Its growth strategy is to focus on the exploration and development of quality assets, in significant mineralized trends, close to infrastructure, in stable countries. The company holds 100% of the Haib Copper deposit in the south of Namibia, the oldest porphyry deposit in the world and one of the largest in Africa.

Country: CAN | Market capitalization: ca. EUR 2.95m | ISIN: CA24378W1032

### Endeavour Silver Corporation

Endeavour Silver Corp. is a mid-tier precious metals mining company listed on the NYSE:EXK and TSX:EDR. Endeavour owns four high-grade, underground, silver-gold mines in Mexico. Endeavour has a compelling pipeline of exploration and development projects to facilitate its goal to become a premier senior silver producer.

Country: CAN | Market capitalization: ca. EUR 277.7m | ISIN: CA29258Y1034

### EnWave Corporation

EnWave Corporation is an equipment manufacturer based on the Radiant Energy Dehydration (REV™), which is a rapid, low temperature drying method that maintains the product's colour, flavour, and nutrients during the drying process. The patented vacuum-microwave technology enables uniform drying with flexible moisture content unattainable with Freeze Drying or Air Drying.

Country: CAN | Market capitalization: ca. EUR 127.1m | ISIN: CA29410K1084

### Palfinger AG

Established in 1932, PALFINGER stands for the most innovative, reliable and cost-effective lifting solutions for use on commercial vehicles and in the maritime field. The core product is the Loader Crane. The company is the world market leader in this segment with more than 100 models. The PALFINGER Group is 58 per cent owned by the Palfinger family and SANY Germany GmbH owns 7.5 per cent of the shares. Free float is about 34.5 per cent.

### S IMMO AG

S IMMO AG is a real estate investment company with its head office in Vienna. Since 1987, we have been listed on the Vienna Stock Exchange. We invest exclusively in the European Union with a focus on capital cities in Austria, Germany and CEE. Over 70% of our property portfolio consists of offices, shopping centres and hotels. The remainder comprises residential properties.

Country: AUT | Market capitalization: ca. EUR 1.46b | ISIN: AT0000652250

## Traumhaus AG

Traumhaus AG is an established supplier of standardised terraced houses built in serial solid construction (masonry construction). This is associated with a high level of standardisation, which reduces costs and construction time and increases quality. The enterprise ranks among the ten largest manufacturers of terraced houses in Germany. The aim is to grow strongly within the next few years and to be among the top three.

Country: GER | Market capitalization: ca. EUR 69.1m | ISIN: DE000A2NB7S2

## UniDevice AG

UniDevice AG is a B2B broker for communication and entertainment electronics with a focus on high-priced smartphones from leading manufacturers such as Apple and Samsung. In this market, the Berlin-based company is the first in Germany to specialize in international B2B brokerage. Its customers include mobile service providers as well as wholesalers and retailers. Risks are minimized by fast stock turnover and immediate payment.

Country: GER | Market capitalization: ca. EUR 22.4m | ISIN: DE000A11QLU3

## Villeroy & Boch AG

Villeroy & Boch is one of the world's leading premium brands for ceramic products. The family business, which was founded in 1748 and is headquartered in Mettlach/Germany, stands for innovation, tradition and exceptional style. As a renowned lifestyle brand, Villeroy & Boch offers products from the sectors Bathroom and Wellness and Tableware, and is active in 125 countries.

Country: GER | Market capitalization: ca. EUR 181.9m | ISIN: DE0007657231

## VST BUILDING TECHNOLOGIES AG

The company is a leading international provider of technology solutions for building construction with the highest level of competence in the field of composite formwork technology and over 15 years of experience. The innovative, patent-protected VST construction technology with clear ecological and economic advantages compared to conventional construction methods, is mainly used in residential construction.

Country: AUT | Market capitalization: ca. EUR 21.4m | ISIN: AT0000A25W06

AlsterResearch, founded in 2006, sees itself as a link between listed companies and investors.

Since 2015 they have been the exclusive equity research partner of Norddeutsche Landesbank (NORD/LB) and as such cover around 70 international mid and large caps (with a focus on Europe and the USA) for the majority of German savings banks. Under its own label, AlsterResearch also analyses a number of small and micro caps (with a focus on Germany).

In addition to its wide-ranging and continuous research coverage, AlsterResearch provides direct access for investors, e.g. with roadshows or by organising investment conferences.

Krakauer Management GmbH is based on two pillars: Roadshows in Europe and Canada, as well as Wealth Management.

The company arranges one on one meetings and group presentations mainly for small and mid cap companies listed at the Vienna Stock Exchange, introducing them to advisors, asset managers, banks, family offices, insurance companies and other stakeholders.

Krakauer also offers exclusive partnerships with asset managers and efficient and cost-effective ways to distribute investment products to qualified investors.

In cooperation with its German partner WBS Hünicke Vermögensverwaltung, Krakauer also offers discretionary and advisory asset management, mainly equity and bond, but also alternative asset classes.

For more than 20 years, "GoingPublic", the leading media platform for IPOs in German-speaking Europe, has stood for the premier class of corporate finance business.

Launched as an IPO magazine on the threshold of the IPO boom between 1998 and 2000, the magazine has gone through a series of capital market cycles. The GoingPublic magazine presents itself today as a modern capital market magazine for issuers and investment professionals. It highlights current Going- and Being-public trends and presents all relevant capital market innovations.

In addition, the magazine sees itself as the most important platform and mediator between issuers, institutional investors, service providers and the financial community.
